

PROTECTING YOUR MINING EQUIPMENT, BUMPER-TO-BUMPER

Large mining equipment works in the harshest environments and requires premium products to achieve high-level reliability and performance at the lowest total operating costs.

Delo® heavy duty engine oils, drive train fluids, final drive fluids, greases and extended life coolants are specially formulated to help meet the intense demands your equipment faces.

Choosing the proven performance of Delo® quality lubricants supports an operator's need for optimal reliability and performance, under diverse operating conditions and for long periods of time. This could mean a higher return on investment, hour after hour.

At Chevron, we have a history of heavily investing in research and development to ensure your equipment gets the utmost protection from bumper-to-bumper. We're so confident about the quality of Delo products, that we offer a bumper-to-bumper warranty you may not find from other manufacturers.
